VENDOR REGISTRATION PACKAGE

Dear Vendor:

Thank you for your interest in doing business with the County of Mohave, Arizona. The Department of Procurement is the County's centralized purchasing function and performs necessary contracting activities on behalf of the numerous county departments and divisions.

A list of bidders of all known commodities and services purchased by the County is maintained by the Department of Procurement. These commodities and services are categorized by National Institute of Governmental Purchasing (NIGP) commodity code and sub-code.

To become a registered vendor with the County of Mohave, a vendor currently can download a vendor registration package to complete from our web site and send to the Procurement Department for processing. The Vendor Registration package includes an Application form and Commodities and Services selection list, which details the types of commodities and/or services the vendor can provide to the County, must be completed, signed and returned to this department. Only the commodity sheets that apply to your company's products and services need to be completed and returned, however, it is very important to include the commodities your company provides so that your company may be properly registered. Vendors are responsible for specifying the appropriate commodity classes on their registration form. If you are unfamiliar with the NIGP commodity codes, please do not hesitate to contact this department for assistance.

The County also requires the submission of an original Federal W-9 form which is attached.

Once registered, vendors are responsible for consistently maintaining their vendor record by updating information with the Department of Procurement as necessary. To ensure maximum participation, vendors should regularly check for posted notices and official advertisements on the Department of Procurement's *Bid Opportunities* Internet site at: <http://www.co.mohave.az.us/ContentPage.aspx?id=125&cid=53>. Failure to respond to a formal solicitation is defined as a total lack of response when invited by the County to submit a bid or proposal. The County reserves the right to update and validate its bidders' list from time to time and may require renewal of existing applications on file. The County requires a current vendor registration package to be on file prior to the award of any contract.

Sincerely,

MOHAVE COUNTY DEPARTMENT OF PROCUREMENT

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on Line 1 to avoid backup withholding. For individuals, this is your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN* on page 3.

Note. If the account is in more than one name, see the chart on page 4 for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me), and
- I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding, and

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

- Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
- Certify that you are not subject to backup withholding, or
- Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,
